

HEAT MAP OF RATINGS - books reviewed since April 2020

No ratings were taken at the group's review session of our first book (The Seige by Helen Dunmore); Covid was in play (April 2020) and so the very first reviews were distributed by email. Following on from this ratings were introduced for our second book including through the remainder of lock down when meetings continued by ZOOM. In a small number of cases ratings are currently unavailable.
